

POLE BURNING

THIS IS AN IMPORTANT MESSAGE FROM THE
ENERGY FIJI LIMITED

DO NOT BURN BRANCHES, RUBBISH OR SUGARCANE
NEAR THE AUTHORITY'S POWER POLES.

THIS CAN CAUSE UNNECESSARY POWER OUTAGES
AND IS A RISK TO OUR LIVES.

TO REPORT A FIRE ON
EFL POLES
CALL 132333 OR 913.

A SAFETY MESSAGE FROM THE ENERGY FIJI LIMITED

This message is especially for our valued customers who live along the sugar cane belt area or along the sugar cane farms.

Uncontrolled cane fires are the prime cause of damage to **efl's** wooden power poles. Apart from **being dangerous and life threatening**, such fires cause unwanted power interruptions to **efl's** valued customers.

Therefore you are hereby warned not to burn cane or rubbish in the vicinity of **efl** power poles.

Anyone damaging our power poles as a result of burning cane or rubbish will be required to pay for all the expenses incurred in replacing burnt power poles.

We look forward to your cooperation and assistance from burning cane and rubbish near **efl** power poles, thereby ensuring continuity of power supply.
