**Tender No. MR 76/2020 – Road Access Upgrading Works at the EFL Butoni Wind
Farm, Sigatoka**

NOTICE TO TENDERERS (NTT) NO: 1

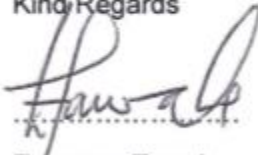

Clarification with regards to the issues highlighted during the site inspection.

1. To apply AP65 gravel on the required road sections and also along steep hill roads.
2. Do not consider the use of AP40 gravel or screened river gravel for Butoni road upgrade.
3. Road width to remain as per the existing layout. No modification to be done.
4. Include the improvement of landslide as part of the road upgrade.

Also attached is the revised Tender Specification.

Tenderers are to acknowledge this Notice to Tenderers No 1 with their tender submission.

Kind Regards
