

FIJI ELECTRICITY AUTHORITY

TENDER SPECIFICATIONS

TENDER NO: MR 60/2016

PURCHASE OF NEW VEHICLES

1. INTRODUCTION

The Fiji Electricity Authority (FEA) is a commercial statutory body responsible for the generation, transmission, distribution and retail of electricity in Fiji.

The Authority owns and maintains a fleet of more than 220 vehicles which are necessary to carry out its much needed operations nationwide, basically in Viti Levu, Vanua Levu, and Ovalau in order to maintain a high standard of electricity supply nationwide.

Due to the rugged terrains that most vehicles travel, as well as “off” sealed roads, vehicles with strong suspension system good vehicle stability with maximum torque are necessary to successfully carry out operations and achieve KPIs to international standards.

The nature of our work requires most of our vehicles to be in operation daily even through weekends, and some which also need to be standby vehicles which will be available for use, 24 hours a day.

The Authority therefore seeks sealed tenders from Motor Vehicle Dealers for the supply of various types of new vehicles, which will replace current operational vehicles which have already served their useful life within the Authority.

Preference will be given to the suppliers offering value added services such as servicing/parts agreement, bulk purchase. Spare parts and back up service delivery must be timely and readily available to ensure the efficient operations of vehicles supplied on a daily basis

The successful tenderer(s) will be required to enter into a Servicing Agreement with the FEA.

2. INSTRUCTIONS TO BIDDERS

Bidders are requested to submit their tender bids for outright purchase. Bidders must state the outright purchase price for each vehicle

For vehicles which come with additional accessories, price(s) must include supply and installation of these accessories upon delivery to the Authority.

As part of FEA's HSE Requirements, there must also be a Training conducted for each Vehicle Category chosen, to ensure drivers are fully aware of the features, as well as handling & operation of the vehicles to ensure it is used in a safe manner.

Schedules 1-3 must be filled (for each vehicle category applied for) as well as tables of specifications for each category

Price Schedule Summary (Schedule 4) must also be filled in by the bidder to ensure ease of tender evaluation by the Authority.

Various services pricing as well as menu prices for basic servicing parts must also be included.

In addition **two (2) hard copies** of the tender bids in sealed envelope shall be deposited in the tender box located at the Supply Chain Office at the FEA Head Office, 2 Marlow Street, Suva, Fiji.

Courier charges for delivery of Tender Document must be paid by the bidders.

This tender closes at **4:00pm, on Wednesday 29 June, 2016.**

For further information contact The Secretary Tender Committee, by e-mail TDelairewa@fea.com.fj

Each tender shall be sealed in an envelope with the envelope bearing only the following marking:

**Tender - MR 60/2016 - Purchase of New Vehicles
The Secretary, Tender Committee
Fiji Electricity Authority
Supply Chain Office
Private Mail Bag, Suva**

It must also indicate the name and address of the tenderer on the reverse of the envelope.

Tenders received after **4:00pm** on the closing date of **Wednesday 29, June 2016** will not be considered.

All late tenders, unmarked envelopes and envelopes without bidder's name and address on the reverse will be returned to the Tenderers.
