

Electrical Contractor Change Form

This form is used to advise the Energy Fiji Limited that the original contractor listed on the permit referenced below has been replaced, and to reflect that the permit be cancelled to reflect this change. This is also used to advise the Energy Fiji Limited that the new contractor, who has signed below, agrees to assume all responsibility for any portion of the project that may have been installed by the original contractor.

Instructions: Please complete one form per permit. Forms are processed within five (5) business days of receipt.

Notes:

Works: means all works to be carried out as provided in the Application for Wiring Permit and Power Supply Form in accordance with AS/NZS Wiring Rules 3000:2018

Termination of Works: If the Original Contractor fails to carry out any of his or her obligations, or if the Original Contractor is not executing the Works in accordance with the Agreement between the Owner and the Original Contractor, then the Owner may, after having given 14 days' written notice to the Original Contractor, terminate the Works under the Agreement. In such an event, any obligation for the portion of the work performed to the date of termination shall be resolved between the owner and the Original Contractor.

New Permit: New Contractor applying for a new permit which is required for any part of the Works and for the completion of the Works shall submit a new Application for Wiring Permit and Power Supply Form.

Indemnification: The Energy Fiji Limited will not be liable against claims for, demands, lawsuits and liabilities arising out of or connected to the approval of this form and the new Application for Wiring Permit and Power Supply Form upon the request of the Owner.
