ENERGY FIJI LIMITED

EOI 03/2022

EFL Seeks New Power Line Contractors

The Fijian Government is funding 100% of the EFL grid connected rural electrification schemes to provide access to electricity to Fijians.

For the construction of these Rural Electrification Schemes, EFL has engaged many certified power line contractors to expedite the process of electrification.

However, to further expedite the construction of the Rural Electrification schemes, we seek the participation of new power line contractors who will assist EFL to connect more Fijians who are yet to receive the electric power supply from Energy Fiji Limited.

Energy Fiji Limited invites applications from interested companies who are keen and ready to form a new powerline contracting company that will be certified by EFL to undertake powerline construction works.

EFL will provide the relevant training at a cost to the company to enable them to become a certified power line contractor.

This Expressions of Interest (EOI) closes at 4:00 p.m (1600hrs Fiji time) on Wednesday 17th August, 2022.

Bidders are requested to submit electronic copies via TenderLink by registering their interest at: https://www.tenderlink.com/efl

For more information or clarification please contact the Supply Chain Office on 3224360/9992400/9987085.

Please obtain from EFL the required Checklist that the New Powerline Contractors must comply with. You can obtain this via email address: tenders@efl.com.fi
