Terms and conditions:

1. Applicable meter testing fees shall be paid as required. As per clause 69(4) of the Electricity Regulations 2019, all bills prior to the meter test application shall be paid. A meter test fee covers all the meters in an account.
2. The test report will be provided via email only, no hard copy delivery. Customers may collect one hard copy from any EFL customer care office if required.
3. As per clause 69(2) of the Electricity Regulations 2019, if the meter test is accurate, the meter test fee will be retained by EFL. There will be no adjustment to the account, and all bills remain as is.
4. As per clause 69(3) of the Electricity Regulations 2019, if the meter test shows the meter is incapable of registering electricity consumption accurately, the meter test fee will be credited/refunded. The electricity account will be adjusted by crediting or charging it with the amount of any overcharge/undercharge resulting from the inaccuracy of the meter, as assessed by EFL and in adherence to the Limitations Act.
